To Whom It May Concern:

Bob Faith started his fair career at the Del Norte County Fair. He was recommended to me by a local lounge that had him earlier that year and had great success with Bob. In my 20 years as a fair manager, I never hired a hypnotist before. I hired Bob and it was one of the better moves I made. Bob is very easy to work with and is very professional. Bobs audience grew larger each day. I have had Bob at my fair for 6 years and the crowd still looks forward to seeing him each year. I would recommend Bob Faith for your event because I know he will do an excellent job for you.

If you have any questions, please call me and I will be happy to share with you our positive experience with Bob Faith.

Sincerely,
