Hi Gigi

Thanks for sharing your pearls of wisdom and unique business experience with us at the MIT seminar. There is no question that you will get back to that "summit view" again. After all, you are unstoppable!

Once again, we learned a lot from your experience and look forward to staying in touch....

Gigi,

Thank you for sharing your inspirational story. It is very different when you hear things from the horses mouth. I love your analogy of climbing to the top and falling repeatedly back down the mountain.

I hope to cross paths with you again and look into the world of RV renting.....Again, you are an inspiration.
