Dear Ali Kat,

On behalf of everyone at the Wall Street Warfighters Foundation, thank you for the generous gift of your time and talent in support of our Charity Poker Tournament aboard the Intrepid Sea, Air, and Space Museum in New York City. Thank you for contributing to the success of our wounded warriors in a very meaningful way!

Your generosity provides an invaluable foundation and sense of purpose for our returning veterans, as they train for a career and plan their future supported by a caring community. Wall Street Warfighters can continue to identify, train, and place disabled veterans in careers in the financial services industry, thanks to your support! Please pass along my thanks to Peaches as well – you were a great addition to our Poker Tournament!

With best wishes for continued success,

Sincerely,

PETER PACE
