This Show is jam-packed with impeccable harmonies, dazzling choreography, and those timeless Motown grooves that everyone knows and loves so well. You can choose to dance, sing along, or just sit back (if you can) and watch the Show, as **The Motortown All-Stars** perform all of the greatest hits from the likes of **The Temptations, The Miracles, The Four Tops, Marvin Gaye** and **Stevie Wonder**.

Every performance contains that unmistakable Motown stamp, including flashy costumes, great singing and dancing, and a polished show that has set the bar for every vocal artist since the late 1950's.

The Motown sound was called "the sound of young America", but it became the soundtrack for generations around the world, for more than 50 years. The Motown catalog includes some of the most enduring songs in popular music, with the most universal appeal of any musical form. It has such strong musical hooks, that it has repeatedly, been used in everything from movie sound tracks to commercials, and for the last 50 years it has provided some of the most recognizable songs in music history. And their backup band is made up of

seasoned performers who have been the musicians of choice for hundreds of Motown, Nostalgia, Classic Rock and Doo Wop shows around the country. They have both live performance and recording credits with a veritable who's who of popular music artists from the 50's, 60's and 70's.
